Accurate Background, Inc. Wins “Supplier Diversity Award”

JCPenney Names Accurate Background as their Leading Minority-Owned Business Vendor

Lake Forest, Calif., June 27, 2007 — Accurate Background, Inc., a leading provider of background screening services, announced today it has received the prestigious Procurement Supplier Diversity Award during the annual JCPenney Supplier Summit.

“With over 2,000 procurement vendors supporting JCPenney throughout the year, it is an honor to be recognized for our commitment to quality and service,” remarked Dave Dickerson, president of Accurate Background, Inc. “We admire JCPenney’s dedication to incorporating minority-owned vendors, such as ours, in its key business strategy.”

During the summit, JCPenney discussed future initiatives and the importance vendors play in meeting their goals. JCPenney is experiencing its largest growth period and will expand operations -- adding 50 new stores each year through 2011. Accurate Background has conducted background checks for JCPenney since 2006 and plans to continue providing background searches for both the corporate office and the hundreds of JCPenney locations throughout the country moving forward.

“JCPenney's investment in its future business is supported by a strong supplier base, which includes the nurturing and support of minority and women-owned businesses,” said Dennis Miller, vice president, director of procurement and strategic sourcing at JCPenney. “In our increasing efforts to meet these objectives, our pledge to minority and women-owned businesses helps to support economic opportunities while enhancing our competitive viability.”

The basic certification requirement to be recognized as a minority or woman owned business is: The business must be at least 51 percent owned, operated and controlled by U.S. citizens belonging to one or more of the following groups: African American, Hispanic American, Asian-Indian America, Asian-Pacific American, Native American or Women. JCPenney recognizes certification from two organizations, the National Minority Supplier Development Council (NMSDC) and the Women's Business Enterprise National Council (WBENC), or any of their regional affiliates.
